

FUND A FUTURE

Fund a Future students **leap into secondary!**

TEACH Rwanda's Fund a Future scholarship programme gives vulnerable families real tools to move themselves out of poverty.

Queen Ratifa Paty Magnifique and Junior Bisimwa Jibrille with their mother at P6 graduation. Both began at Bright School in nursery on scholarships, both were on our robotics team, and both passed their P6 exams with high scores.

Your donations immediately ensure that 75 children get a strong foundation for their education.

Why support Fund a Future?

This school year, 75 very vulnerable students attend Bright School on scholarships.

- Fund a Future students learn in a joyful, encouraging environment that gives them hope for a brighter future.
- Many Fund a Future children are small, stunted by lack of nutrition. Every school day means they get to eat.

- Scholarships cover school fees and often uniforms, shoes and socks, bus transport, nutritious porridge and lunches, backpacks, transport for our STELA Future Hopes LEGO® Robotics Team, Enrichment programmes, medical insurance and other help as needed.
- Children who might otherwise be begging on the street grow more resilient as they prepare for work, family and community leadership, because they attend a world-class school that is a psychologically safe haven.
- They gain the knowledge, wisdom and skills to continue their education, thrive with their families and find rewarding careers.

What does a Fund a Future scholarship cost?

Our annual scholarship costs about **\$500 per student**, beginning in nursery. Donations to Fund a Future go into an earmarked fund and are tax deductible. Please consider supporting one or more of our students as they set out on the path out of poverty.

Iradukunda Patricia, also a Fund a Future student and the daughter of one of our security guards, receives her P6 certificate. Students love Bright School!

What happens to former P6 Fund a Future students?

Thanks to you, our donors, last year's P6 students were well prepared. They are now **all** enrolled in secondary schools, including Rwamagana Leaders' School, FAWE Girls School Gahini, G.S. Mater Dei, Ecole des Sciences Byimana and G.S. St. Aloys, all boarding schools. At least three of these students will receive help to continue their education.

With your help, vulnerable children benefit today and tomorrow from Bright School's transformative education!
