

A FUND A FUTURE STORY

Abouba's life, transformed

Your gift to Fund a Future, TEACH Rwanda's scholarship fund for Bright School, really does make a difference. Abouba is just one success story, multiplied by three!

Where it began

When Abouba came to Bright School in 2016, aged three, he was shy and listless. He had kwashiorkor and was stunted by malnutrition. His grandmother enrolled him on a Fund a Future scholarship.

With daily porridge at school, Abouba gained energy and better health. He made friends and grew in confidence. His older siblings, Charite and Chadia, soon enrolled through Fund a Future too.

A few months after he enrolled, Abouba was smiling, but at the time he and his siblings were picking up glass on their way home from school to sell, so they could buy food for their family.

Learning through the lockdown

When schools closed during COVID, the three siblings walked a long way to our mobile library. Thanks to Feed a Family donations, they had food at home, and all three kept reading, writing and growing.

Abouba today

Today Abouba, Charite and Chadia proudly wear school uniforms, ride the bus to school, eat a healthy lunch, have health insurance and attend Enrichment programmes at Bright School, all made possible by gifts to Fund a Future.

Now in P2, a confident, clever Abouba is still growing taller, still smiling, and dancing with his friends at Enrichment!

As you can see, every gift to Fund a Future goes directly to a high-quality education for a vulnerable and grateful Rwandan child, like Abouba and his two siblings.

This Giving Tuesday, our goal is to raise \$5,000 so 10 more children can attend Bright School, our exemplary school in Muhanga, and begin the path out of poverty with their families.

Please forward this newsletter to anyone who may want to support Fund a Future scholarships. Thank you!
